

Documents Necessary for Enrollment - Upload in Marvin

After logging into Marvin with your login credentials, select “**Studies offered**” and “**Application**”. Then click on “**Request for Enrollment**” and follow the steps provided to complete the online enrollment process.

Please note: Temporarily saved documents cannot be processed. Make sure that you have completed the upload of all documents.

- **Proof of Payment - Semester Contribution and Fees**

Please transfer the semester contribution and use your application number and name as a reference. It is important to only use the account information and payment amount provided on our website. Please note that bank transfers from abroad often incur additional processing fees. We therefore recommend transferring an extra 15.00 euros.

- **Health Insurance during Your Studies**

A statutory health insurance company must report your insurance status to Philipps-Universität Marburg; you can find detailed information on our [website](#). The digital confirmation of your health insurance can be provided after the enrollment deadline. Until then, your enrollment will remain provisional.

Please note: . Please ask your insurance company whether contributions must be paid if you are only able to enter Germany after enrollment. You do not need to submit proof of health insurance to enroll in the DSH preparation course or the Studienkolleg. Proof of insurance must be submitted only after you have completed the DSH preparation course or the Studienkolleg

- **Certificate of Exmatriculation/Certificate of Enrollment from a German University**

Have you already been enrolled at another university in Germany? If you have, please upload proof of your previous studies, including information on university semesters, subject semesters, and semesters on leave. You can provide this by uploading your last certificate of enrollment and your certificate of exmatriculation.

- **German Language Certificate**

Have you completed a recognized German language examination and need to prove your results for admission to your study program? Please upload your German language certificate in Marvin.
